

# HIU ANNUAL SERVICE PACKAGE SCOPE

Evinox provide first class HIU service and maintenance regimes for any brand of HIU, not just our own units. As a manufacturer, researching and developing the next generation of HIUs, we are experts in diagnosing common HIU faults and repairing them effectively. Annual servicing is key in determining continued operation.

For advice and quotations please contact our dedicated in-house Service Team today on 01372 722277 or email us at [info@evinox.co.uk](mailto:info@evinox.co.uk)

\*Any faults identified, which cannot be repaired during the service visit will require a remedial quotation to be approved for additional parts and labour.

\*\*Additional charges may apply for remote services, we offer comprehensive, all-inclusive service plans on Evinox HIU units, covering all remote diagnostics.
