

## Quality Statement

Evinox Ltd, Evinox Energy Ltd and Evinox Services Ltd recognise that the disciplines of Quality, Health and Safety and Environmental Management are an integral part of its management function. The organisation views these as a primary responsibility and to be the key to good business in adopting appropriate quality standards.

The Company Quality Policy calls for continuous improvement in its quality management activities and therefore business will be conducted according to the following principles:

We will:-

- Comply with all applicable laws and regulations.
- Follow a concept of continuous improvement and make best use of our management resources in all quality matters.
- Communicate our quality objectives and our performance against these objectives throughout the organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, associates, suppliers and others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest quality standards.
- Promote innovation and continually review advances in technology, which can lead to the improvement of the products and services we offer our customers.
- Adopt a forward-looking view on future business decisions that may have quality impacts.
- Train our staff in the needs and responsibilities of quality management.
- Be committed to recruiting qualified, experienced staff whose enthusiasm and friendliness is in line with our own vision.
- Continue to employ, adapt and adopt working practices and outputs to ensure that they align with the standards necessary to achieve and sustain the recognised Quality, Health & Safety and Environmental Standards (ISO 9001, 45001 & 14001)

It is the aim of Evinox Ltd, Evinox Energy Ltd and Evinox Services Ltd that, with the involvement and understanding of all staff through the implementation of these Management Systems (ISO 9001, 45001 and 14001), we will exceed the expectations of our customers.

Signed:  
(Managing Director)
